DETAILED ACTION

Allowable Subject Matter

Claims 1-19 are allowed.

The following is an examiner's statement of reasons for allowance: prior art references do not teach or render obvious a material for forming a customized holographic or optically variable image on a substrate, the material comprising the embossable layer comprising a plurality of embossed consecutive panels, each panel being holographically or optically variably configured to reflect incoming light at a predetermined holographic or optically variable reflection angle α_n , which predetermined angle α_n is different for each panel.

Prior art references do not teach or render obvious a method of forming a holographic or optically variable image on a substrate, the image being comprised of image forming pixels, the method comprising all the steps as claimed in claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thien F Tran whose telephone number is (571) 272-1665. The examiner can normally be reached on 8:30AM - 5:00PM Monday through Friday.

Art Unit: 2811
